## AIM USA WELCOMES YOU

---

Welcome to the AIM USA CHEER Program. Since 1992 we have taught children and teens skills to build their self-confidence and have fun while doing so. Our curriculum is designed to introduce basic cheer techniques. We offer classes in various styles of cheer/pom and each session introduces new steps. Our students also receive instruction in developing confident posture and rhythm.

- **WEEKLY CHECK IN:** Please arrive 10 minutes prior to class to check in. Enclose payment in an envelope from home with student's full name and amount enclosed printed on the front. Students who have paid in full must check in at the parent helper table weekly.
- **AVOID THE HASSLE OF PAYING WEEKLY.** You may pay the balance of this course next week and still receive a discount. Enclose in an envelope the payment for this course minus the amount you paid for today's class and registration.
- **SCHOOL CANCELLATIONS:** If schools are closed due to vacations, holidays or bad weather we will cancel our classes until the following week. The length of the program will be extended extra weeks to accommodate these types of occurrences. Please check the class calendar for scheduled dates. Also, check the Web site for any updates on cancellations. [www.aimusainc.com](http://www.aimusainc.com)
- **MISSED LESSONS:** can be made up by attending 2 classes back-to-back any following week. When making up a missed lesson, please enclose an additional class fee in your envelope. Prepaid students must inform parent helpers when making up a lesson.
- **SPECTATORS:** are welcome to view class weekly, unless space or noise level becomes a problem. We encourage parental involvement. Ask the instructor about volunteering!
- **POM PONS ARE HIGHLY RECOMMENDED.** Poms will be available for purchase each week.
- **COURSES RUN 8-14 WEEKS:** Fall, Winter, Spring and Summer. Beginning, intermediate, and advanced courses are taught.
- **SAFETY ISSUE.** Parents please physically drop off and pick up your child at the door promptly before and after class. Please instruct your child to wait inside the classroom until you arrive.
- **CHECKS ARE MADE PAYABLE TO AIM.** \$20.00 service charge for returned checks. Any returned checks not satisfied in two weeks will be turned over to CHECKCARE SYSTEMS™.
- **NO REFUNDS.** Please pay on a weekly basis if you are unsure of your child's desire or schedule. Thank You!
- **QUESTIONS OR COMMENTS:** M-F 10:00 am - 3:00 p.m.
