Parents often ask us what are their child's "needs" for class. Unless your child is sparring, nothing is required. However, there are many tools that can enhance your child's learning. We have developed guidelines to help parents decide what their child needs for peak performance at each level of their training. If you are interested in these items, please enclose payment in an envelope with the student's name, item, size desired and total amount (\$) enclosed. All items on this list or in the Catalog may be purchased anytime or with the AIM USA Support Raffle. (Tax included). Visit [WWW.AIMUSAINC.COM](http://WWW.AIMUSAINC.COM)
